SAI PRAKASH

FRONTEND WEB DEVELOPER

E 917 7443441   pprakxsh09@icloud.com   q PORTFOLIO   Bangalore

SUMMARY

I am a dedicated and passionate front-end web developer, currently pursuing a degree in BCA DATA SCIENCE. With a solid foundation in HTML, CSS, and JavaScript, I am eager to leverage my skills and gain practical experience in the field. I possess strong presentation and communication skills, complemented by my problem-solving abilities, which I believe will mutually benefit both me and the company.

PROJECTS

- chicken-pickle (01/2023 - 03/2023) |

I developed this website enabling customers to order chicken pickle online, with UPI payment gateway. After payment, the address details will be sent to my email. I used HTML, CSS, JavaScript, Node.js.

- Only Race (08/2022 - 07/2024) |

I developed this website, containing video elements, a dynamic search function, and a dropdown menu with wonderful CSS. A scrolling text redirects the user to buy me a coffee. I used HTML, CSS, and JavaScript.

KEY ACHIEVEMENTS

| Enhanced Webpage Performance
Improved webpage performance by optimizing code, decreasing load time by 50%.

|Developed Responsive Layouts
Created responsive layouts with engaging design, increasing mobile user satisfaction by 82%.

| Event Website Redesign
Redesigned college event website, boosting user engagement by 50%.

MY LIFE PHILOSOPHY

I am kindness embodied, a traveler of worlds and hearts, spreading smiles wherever I go. My life is a quest for uniqueness, not conformity—a pursuit to illuminate and inspire. I reject ignorance and discrimination, standing resolute in wisdom and integrity.

I am Prakash, the light. My name is my purpose: to shine, to guide, and to uplift. I strive not to blend in but to stand out, leaving a legacy of love, compassion, and individuality. I live to be remembered not as ordinary, but as a beacon of hope and joy.
